## New era for the Wollongong NRE Hawks

The Wollongong Hawks today announced the signing of Gujarat NRE as naming rights sponsor for the 2011/12 iinet NBL Championship and beyond.

From today the club will be proudly known as the Wollongong NRE Hawks. With this name change, the club is also proud to reveal a new logo and brand.

The announcement comes just two seasons after Gujarat NRE helped Save the Hawks by coming on board in 2009 as a Bank Guarantor, ensuring the future of the last remaining foundation club in the National Basketball League.

Leading private health fund, ahm is excited to be transitioning from its three-year naming rights sponsorship of the Hawks, to that of a major community partner.

Long recognised for its active involvement with the local community, the company has signed a new two-year agreement with the Club.

The transition into naming rights sponsor is a natural progression for the Illawarra based mining company, Gujarat NRE. This has cemented its ongoing commitment to the club, in 2009 as a bank guarantor and major sponsor.
